

Back to School Night set for September 20

On Thursday, Sept. 20 at 6:30 p.m., Washington Math Science Technology (WMST) Public Charter High School parents, guardians, and family are invited to attend the school's annual Back to School Night.

Part of the school's effort to foster parental involvement in each child's education, Back to School Night will give each parent and guardian and chance to hear from his or her child's teachers about expectations and goals for the 2012-2013.

Parents and guardians can also introduce themselves to the school's administrators at the event. Those interested in playing an active role at WMST PCHS, in addition, should consider registering for the 2012-2013 Parent Teacher Student Association. Light refreshments will be served.

For more information, please call the school at 202-636-8011. WMST PCHS is located at 1920 Bladensburg Road, N.E., Washington, DC 20002.
