Mr. John Zimmerman
Vice Principal
Student Affairs

N'Deye Diagne, Ph.D.
Head of School

Mr. Enrique Watson
Director, Student-Teacher Services
Facilities Oversight

August 6, 2012

Dear Parent/Guardian,

We are excited to welcome you to another school year at Washington Math Science Technology PCHS. In an effort to continue to enhance the communication between the teachers and the parent(s)/guardian(s), you will have the ability to view your student's academic progress and other pertinent information securely via the internet using our **PowerSchool Parent Portal**.

With PowerSchool, parents/guardians are able to access vital information about your student(s) quickly and accurately. You are able to see the results of tests and assignments as soon as they are recorded, enabling you to intervene quickly and communicate with the guidance counselors and teachers, if necessary. With daily use, PowerSchool will help you as parents/guardians help your student(s) achieve their highest academic potential. PowerSchool is also a comprehensive student information system that will enable WMST PCHS to easily manage a wealth of information online: be it grades, transcripts, report cards, assessments, contact information and daily attendance.

Each parent/guardian and student will have a unique username and password assigned to his or her records. The Usernames and Passwords will be mailed at a later date. Please keep your username and password(s) confidential so only you will have access to the information. If at any time you believe your password has been compromised, or if you have misplaced your access information, please contact your student's guidance counselor.

Thank you for all your support.

N'Deye Diagne
