Dear WMST-PCHS Families:

Welcome back to another exciting school year! The Washington Mathematics Science Technology Public Charter High School (WMST PCHS) is thrilled to have you as part of our family.

For SY 2012-2013, we will have the traditional school opening schedule. WMST PCHS students will report to school by grade level on the following dates:

- **Only 9th grade students will report to school on Monday, August 27th. (Half day schedule 8:30 a.m. until 12 noon)**
- **Only 10th grade students will report to school on Tuesday, August 28th. (Half day schedule 8:30 a.m. until 12 noon)**
- **Only 11th grade students will report to school on Wednesday, August 29th. (Half day schedule 8:30 a.m. until 12 noon)**
- **Only 12th grade students will report to school on Thursday, August 30th. (Half day schedule 8:30 a.m. until 12 noon)**
- **All grades will report to school on Friday, August 31st and all school days following this date to begin our regular daily schedule for the school year. (All day schedule 8:30 a.m. until 3.30 p.m.)**

Please remember to talk with your student about the importance of time and attendance. Included with this letter are the school calendar and bell schedule. Take a moment to review them for information purposes.

Also, parents are reminded that they should come by the school to complete their residency verification and the school lunch form. We all want to have a great start to the new school year by completing the enrollment process for all students.

Allow me to say thank you in advance to all parents and students for your cooperation.

Sincerely,
N'Deye Diagne
