

WMST Annual Health Science Career Day
Thursday, December 6 8:15 a.m. – 12:30 p.m.

The Washington Mathematics Science Technology Public Charter High School will host its Annual Health Science Career Day on Thursday, December 6, 2012 from 8:15am to 12:30pm. Our theme for the day is “Sharing Knowledge and Resources - Motivating Students.” Our goal is to increase student awareness to the academic preparation and challenges in general ‘STEM’ fields and careers.

Presenters will include, but are not limited to:

Dr. Tolessa Deksissa
Director, Professional Science Master’s
Water Resources Management
Research Associate and Lab Coordinator, AES and WRRRI
College of Agriculture, Urban Sustainability and Environmental Sciences
University of the District of Columbia

Dr. Arvind K.N. Nandedkar
Professor, Biochemistry and Molecular Biology
